Docket No.: 90500-000067/US

REMARKS

Claims 1-14 are now present in this application by the present Preliminary Amendment. It

should be noted that the amendments to original claims 1-14 of the present application are

non-narrowing amendments, made solely to place the claims in proper form for U.S. practice

and not to overcome any prior art or for any other statutory considerations. For example,

amendments have been made to broaden the claims; remove reference numerals in the

claims; remove the European phrase "characterized in that"; remove multiple dependencies in

the claims; and to place claims in a more recognizable U.S. form, including the use of the

transitional phrase "comprising" as well as the phrase "wherein".
